

[www.turnitin.com](http://www.turnitin.com) Instructions for Mr. Bernhart's Class

You must have an email address to establish an account. If you already had an account, you should be able to use the same email and password from last year. Either way, when establishing your account, make a password that is easy to remember. Write down both the email address and the password you create so you don't forget!

Use the following Class ID Numbers and Enrollment Passwords to register for the correct class by grade level and period.
